G.O. No.

Dated 16th October, 1948

[Despatch Abstract.]

...es - Industrial Panels - Panel on Iron and Steel (Minor Industries - Recommendations - Papers - Recorded.

Issued as Lr-No.42709 P&D III/-18-15 dated 12-6-48.

The file relates to the recommendations of the Panel set up by the Government of India to report on the future development of Iron and Steel (Minor) industries. The Government of India forwarded a copy of the report of the Panel in May'48 and stated that the report of the Iron and Steel (Minor) Panel has not yet been finalised. Subsequently they informed that it was decided not to convene a meeting of the representatives of the Provincial Governments to consider the report of the Iron and Steel (Minor) Panel in accordance with the practice followed in the past and that the position of the industry will be reviewed by the Central Advisory Council of Industries, that would be set up in pursuance of their Industrial Policy. The Government of India, have accordingly decided to constitute a Central Advisory Council of Industries to examine the development of various industries and this Government have nominated H.M.(Ind) to serve on the Council. As the Central Industrial Advisory Council will examine the future development of these industries in detail, no separate action seems called for in this file. It is therefore for consideration/whether the papers may be recorded.
